

SPIRITfIRE

To Whom it May Concern,

We have known Ty and Maegan since January of 2014. They are true believers and followers of Jesus. They uphold the pure word of God and live in holiness and the fear of the Lord. Their character is of the highest standard, and they are leading their family in the way of Christ. They have always handled the Lord's affairs with respect, integrity, honesty, and sincerity. They are a responsible and trustworthy couple.

Ty spent many hours being mentored by Val from 2014 to 2017. They prayed and talked about the Kingdom often. Ty preached and ministered for us during that time. Ty was ordained through our ministry (Spiritfire Global Ministries) in 2015. He has been released into his own ministry. We love Ty and Maegan, and their precious family. Here are a few words from Val:

"I believe Ty to be a young man taking major spiritual principles and building a ministry around them. He has learned and is learning to lean totaling on the Spirit's leading and instructions, and to move at the Spirit's direction. I believe more than anything else, Ty wants to do exactly what the Holy Spirit wants him to do. He is yielded to the Lord and desires to be led by the Spirit. Ty is growing and will continue to grow. His inner man is open to the Holy Spirit."

Sincerely,

Spiritfire
